Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

• Employing a specialist teacher to work with individuals / small groups of students to provide extensive explicit teaching based on individual student learning needs and specific teaching strategies.
  Outcome: Highly successful, with implementation to continue and refined in 2015
• Employing a teacher aide for small group support and implementation of individual support programs
  Outcome: Highly successful, with teacher aide time being utilized for students at risk or above NMS receiving additional support and assistance in classrooms
• Developing a “cycle of review”
  Outcome: Successful, with additional planning and reviews to occur in 2015
• Using systemic (NAPLAN) and other data (eg PAT) to develop individual learning plans
  Outcome: Successful, PAT testing to go online in 2015 with other conclusive data already collected and entered into OneSchool
• Develop individual learning plans from Prep Early Start data
  Outcome: Highly successful, with all Pre-Preps and Preps having plans developed to assist learning
• Develop Professional Development Plans to align with cluster initiatives
  Outcome: Successful, School and Cluster initiatives were used to guide Professional Development for 2014
• Purchase reading resources
  Outcome: Successful, new resources purchased
• Develop ICP’s for students
  Outcome: Highly successful, all relevant students have ICP's entered and endorsed in One School
